- **Session 53 - Our Amazing Completion takes place at Solstice Ceremony** - We will gather in a sacred site, a very special Crystal Gateway that was built for the healing and support of all Caretakers. Here the teachings and initiations you have received will be grounded into Mother Earth's body and your physical body and sealed within your light body. This will take place so you may carry them forever more and these sacred codes and information are activated in support of your higher quality of life and your earth mission. Through this you shall carry the frequency and love of the caretaker and this shall empower you for all that is ahead, and every opportunity you are given to care and do this special energy work if it is every needed.

May the MOTHER's Pilgrimage Bless All Beings!
